Keller Fountain Park

Right across the street from Keller Auditorium in downtown Portland, Oregon you will find one of the most unique fountains Portland has to offer. Keller fountain is a multi tiered fountain that you can actually sit in and wade in on a nice hot day. Some of the areas are deep enough to swim in and you can go under the waterfalls. There are some severe drop-offs so be sure and talk to your kids about where they can and cannot play. There is not a bathroom in this park, but there is one nearby inside a parking garage like structure.

Thank You For The Kind Words

We are new to Portland and this was our first time with a car issue. So glad we found Du Fresne! Nancy was so thorough when scheduling the appointment and even called back to confirm some information. Preston and his team checked everything so thoroughly then provided us with an extensive report on our vehicle. Everyone was friendly and professional. We'll definitely go back when the need arises.

Outstanding Service! The most excellent experience I've ever had at a car repair shop. Very pleased to find you and will continue to use your shop long into the future. Shout out to Marco for an excellent job on the repairs. Most thankful for the caring helpful attitude in offering a loaner car. I was very impressed at the conveniences offered and the quality and promptness of the repair.

2023 marks the 36th anniversary of the Waterfront Blues Festival, a jubilant celebration in downtown Portland. Founded in 1988, this Independence Day festival has welcomed over 2,000 artists, including Gregg Allman, Buddy Guy, Lucinda Williams, Gary Clark Jr., Robert Plant, Mavis Staples and Trombone Shorty, garnering international acclaim and raising over \$10 million dollars for local community organizations, the Oregon Food Bank and Meals on Wheels. The festival is also an unparalleled showcase for Portland's local music community and features local legends like Curtis Salgado, Liv Warfield and Norman Sylvester. Over the course of four days and four stages, the festival features a dynamic lineup of 100+ blues, soul, funk and R&B artists, as well as some of Portland's favorite food trucks, wineries, breweries and more. Held in Tom McCall Waterfront Park, with views of Portland's famous bridges and riverfront, the festival is the perfect way to celebrate the Fourth of July Weekend. With family-friendly activities, sunny skies, the world-famous Zydeco dance floor and fireworks over the Willamette River, The Waterfront Blues Festival is not to be missed.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

"Your cubicle is on back order, so for the time being, work within these chalked lines."
