## Susan taylor

Efficiently run shop with good technicians. I would highly recommend this business.

## Greg Tyner

I took my mother in-laws Toyota to DuFresne's for a second opinion after she got sticker shock from the dealership on a needed repair. DuFresne's fixed the car at less than half the cost of the dealership. They had great communication and were very easy to work with from the front desk to the mechanic. They were thorough in their troubleshooting and explained the needed repair and service clearly. I was out of town when the car repair was completed and they were kind

enough to drop it off at my home nearby. I highly recommend DuFresne's and will work them in the future

## Cathie

Dufrenes is the best! Always quick with estimates. Always fair with their prices. Great communicators. And they vacuum and wash your car!

## Reg Sanderson

Fantastic people. They are friendly, responsive and easy on your pocket book. The premises blend in with the neighborhood. I passed it several times before I realized it was not a grocery store, or donut shop. This was my second time in for repairs and both times my wife and I were astounded by their service.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

SACKS OF SUGAR, FLOUR & RICE ARE WELCOME

With so many Oregonians facing income loss from recent wildfires and the ongoing pandemic the need for food is at a all time high.

Oregon Food Bank's CEO Susannah Morgan says during the pandemic, many families are struggling.

"It has never been this bad," Morgan said. "This is a 100-year flood of hunger."

## Holiday trains are back, including the return of the Polar Express

The beloved holiday trains of Oregon and southwest Washington are back for another year of seasonal joy on the region's scenic railroads. This year's schedule brings back popular rides on the Mount Hood Scenic Railroad, Oregon Coast Scenic Railroad, as well as smaller events in places like Sumpter Valley and Yacolt. It also marks the return of the Polar Express ride in Clark County, which was cancelled in 2022 due to track maintenance.

### Polar Express

Based on the popular kids' book and movie by the same name, the Polar Express Train is run by the Chehalis-Centralia Railroad in southwest Washington. The one-hour train ride includes several elements from the story, and includes gifts, singing chefs and treats.

### Holiday Express

Run by the Oregon Rail Heritage Center, the Holiday Express train is decked out with lights, stationed at the Oregon Rail Heritage Center in southeast Portland. Passengers on the 45-minute ride along the Willamette River can purchase hot chocolate, coffee, tea, cider and cookies. Santa will also be aboard each train for photo ops.

### Candy Cane Express

You can soak up the views of the stunning Oregon coast aboard the Candy Cane Express, run by the Oregon Coast Scenic Railroad. The one-hour train ride runs from Garibaldi to Rockaway Beach and back, and includes hot chocolate and cookies. The train is decorated with lights for evening rides.

### Mount Hood Christmas Train

The Mt. Hood Railroad will again be running the Mount Hood Christmas Train, a festive experience that promises music and fun, wrapping up passengers in the Christmas spirit. The 90-minute train ride departs from the Mt. Hood Railroad depot in Hood River.
