## Thank You For The Kind Words

### David Durrant

DuFresne's made a very thorough and accurate diagnosis of my engine (electrical) problem and got my truck back on the road even sooner than they had told me. (and, for less money than if I had listened to the tow truck driver). Thanks, Preston!!

### Stacy Gardner

Very friendly and helpful people, got my repair done quickly and even loaned me a car.

### Sundhara Linton

The people here are so friendly! They did a great job at a reasonable price. I'm so happy to have finally found a great car repair shop!!

### Jeff Scotto

As always Du Fresne's provides excellent honest service. The folks here are always friendly and offer coffee. My wife and I take our vehicles nowhere else. Highly recommended to anyone who has never been here. Top notch service.

## Have you noticed it harder to see at night or when it's raining?

If you have cloudy or worn and yellow headlights you are taking a big and unnecessary risk when you drive at night. According to the AAA Foundation For

Traffic Safety: An average of 9 out of every 10 cars on the road today has dirty or yellowed headlights that greatly reduce vision and need to be replaced, repaired or restored.

Most people do not know that not only do worn or cloudy headlights look bad, but they also reduce light output by as much as 95 percent. That is a huge difference in whether you can effectively see or be seen when driving at night .

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

# Secrets From Nancy & Tee's Kitchen

## Shirley's Baked Spinach and Artichoke Dip

### Ingredients

14 oz un-marinated artichoke hearts drained & chopped

10 oz frozen chopped spinach, thawed

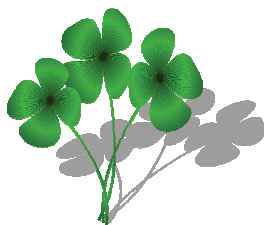

1 C Mayo

1 C grated parmesan cheese

1 garlic clove, pressed

Thaw frozen spinach then squeeze it dry. Stir together: drained & chopped artichoke, squeezed spinach, 1 cup mayo, 3/4 cup parmesan cheese, 1 pressed garlic clove and transfer to a 1-quart casserole or pie dish. Sprinkle on remaining 1/4 cup parmesan cheese. Bake uncovered for 25 minutes at 350°F or until heated through. Serve with your favorite crostini, chips, or crackers. Yum!

My favorite sister in law, Shirley brought this for Hors d'oeuvres at Thanksgiving. It was a big hit.

# DONATE YOUR CAR TO CHARITY

How does my vehicle donation help people with vocational training? Men and women in Portland Rescue Mission's long-term restoration programs—The Harbor for men and Shepherd's Door for women—work in jobs at Drive Away Hunger that develop new transferrable skills. Throughout the program we emphasize being responsible, being on time, being ready to work, and taking pride in what they are doing. Some of the vocational jobs our participants are trained in include forklift training, tow truck operation, car detailing, administration and title work, lot attending, vehicle sales, marketing, cashiering, and processing donations.

## Just one scenario how a donated car helped out a family in need.

*Your car donations give more than just a meal. When a family has a legitimate need, many times we're able to help them because of your generous donations. A couple years ago, a young husband and father had massive heart failure and became terminally ill. During this already-painful time in their lives, the family's car broke down. We were able to step in and help them out with a car - thanks to you.*
