DuFresne's Auto Service Big News

The first Thanksgiving was a three-day harvest feast in 1621 between the Pilgrims and the Wampanoag people in Plymouth Colony, not the modern meal of tur-

key and mashed potatoes. The menu featured venison, water-fowl like goose and duck, and seafood, along with vegetables such as corn, beans, squash, and pumpkin. The meal did not include potatoes, cranberry sauce, or pumpkin pie, and the celebration likely lasted longer than a single day.

This is a great place to bring your car for maintenance and stuff. We kept coming back for years already and always been pleased by the quality of service and friendly customer care. Good job.

If trust is a big requirement for those caring for your car this business cannot be beat. Their customer service, quality of work and honesty is superb. It feels like family. Would have given them an extra star if I could.

Had a great first experience with

this business. No hidden fees or charges. Mechanic was upfront and thorough with me regarding the issues he found. I was expecting to be without my car for the weekend, but he had it completed within 3 hours! I will only be using this shop in the future.

Great service. Very knowledgeable and easy to work with. Honest and reliable. Fixed a problem I had been dealing with for months and couldn't find a solution. I would highly recommend to anyone looking for a good auto repair shop.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Baked Loaded Cauliflower

Baked loaded cauliflower!! Literally tastes like a loaded potato! Even the pickiest eaters love this dish. I took this to Thanksgiving for people that don't eat mash potatoes.

1 head of cauliflower
4 oz cream cheese
2 cups of shredded cheddar cheese
8 oz sour cream
Green onion
Bacon *cooked and then added*
Salt and pepper

Picture taken before baking.

I steamed my cauliflower a little bit before adding to dish and put all ingredients on top of it! Bake for 30-40 minutes on 400°, make sure to stir half way!

- **Origin:** Originally known as Armistice Day, it commemorated the end of World War I, which occurred on the 11th hour of the 11th day of the 11th month in 1918.
- **Renamed:** In 1954, following World War II and the Korean War, it was renamed Veterans Day to honor all U.S. veterans.
