First Groundhog Day

The first official Groundhog Day celebration took place on February 2, 1887, in Punxsutawney, Pennsylvania. It was the brainchild of local newspaper editor Clymer Freas, who sold a group of businessmen and groundhog hunters—known

collectively as the Punxsutawney Groundhog Club—on the idea. The men trekked to a site called Gobbler's Knob, where the inaugural groundhog became the bearer of bad news when he saw his shadow. Nowadays, the yearly festivities in Punxsutawney are presided over by a band of local dignitaries known as the Inner Circle. Its members wear top hats and conduct the official proceedings in the Pennsylvania Dutch dialect. (They supposedly speak to the groundhog in "Groundhogese.")

Du Fresne's Auto Service Is the best! I had an issue with my car wasn't sure what was going on. I googled the closest auto service next to me and I'm so glad I went with them!! They were so amazing! I was nervous the issue with my car was going to be costly they quoted me at \$200 (I thought this was great!) and it actually came out to be lower \$150! This happened right before thanksgiving they were quick to get me in as soon as possible with the busy holiday rush, and they were very commutative on giving me up dates and quick to fix the issue. I will definitely be going back to them over going to the dealership, highly recommended!

The confidence I feel when driving away from Dufresne's is real. Marco or Preston always call and give me recommendations and options that I never feel pressured to choose. If you are looking for a trustworthy car service, this is the place

Took my car in to Du Fresne's, I have been there before. I am so happy with their service and honesty. I will never take my car anywhere else for repairs.....but there. Couldn't be more pleased.....

February Is National Spay/Neuter Month

Smokey & Bella~Nancy Scheewe's Fur Babies

Each year, more than 6 million dogs and cats wind up in animal shelters in the U.S. and approximately half of them must be euthanized because there aren't enough good homes for them. The single most important thing that we can do to save cats and dogs from the suffering and death caused by overpopulation is to get our animal companions spayed/ neutered. Every February on the last Tuesday of the month, World Spay Day celebrates the importance of animal birth control and encourages all guardians of dogs and cats to have them spayed or neutered. In honor of World Spay Day and throughout all of February, which is National Spay/ Neuter Awareness Month, [PETA](#) have rounded up some of their favorite celebrity campaigns promoting animal birth control. Check out [which stars](#) have spoken up to spread this important message.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Chef John's Bourbon Glazed Carrots

Ingredients

1/2 Cup butter

1/2 Cup brown sugar

2 lbs carrots, peeled and sliced
into equal Sized pieces

1 pinch cayenne pepper, to taste

1/2 Cup bourbon whiskey

2 sprigs fresh thyme for garnish

1/2 tsp salt

freshly ground black pepper

Melt butter in a heavy skillet over medium-high heat. When butter foams up, add carrots. Season with salt and cook, stirring, until liquid from carrots evaporates and carrots begin to brown around the edges, 5-6 minutes. Reduce heat to medium-low. Carefully pour in bourbon. Cook and stir until bourbon is almost evaporated, about 2 minutes.

Sprinkle in brown sugar. Stir until carrots are almost cooked through, about 5 minutes.

Thank you to all our wonderful customers. We ask for a grocery bag of food and so many of you brought 2 and 3 or more. We collected more food this year than we ever did.
