Thank You For The Kind Words

My parents started using Du Fresne's in 2006 when they moved to the Portland area. When my husband and I moved to this area in 2014, we continued to use them for all our automotive issues. Du Fresne's has always done excellent work at reasonable prices. They are honest and dependable. We trust their Work and professional opinions. They also have loaner cars if their work will take a while. Last week, I brought a Honda CRV to them for inspection before purchasing it. The car passed inspection fine with some reasonable work suggested: Oil change, tire rotation, etc ... We had those done too. My parents, my husband and I, and our kids, all have had excellent service from Du Fresne's for almost 20 years.

We needed the brakes inspected which turned out to be no charge due to the food drive donation. while waiting for the rain to let up before walking home I was offered a courtesy car also no charge. I did accept the offer, thank you. got a call and e mail with diagnosis. less work than I thought. all repair performed in timely manner with excellent results. really made my day, thank you all.

First time customer. Everyone (esp Marco) were great! Im so glad aI found a small, friendly shop near home. I can see that customer service is a top priority for the Dufrense family. That is becoming rare in our society these days.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Mix mayo, seasonings and cheese. Spread on chicken, both sides. Bake at 375 degrees for 45 minutes or (165-180 temp). You can also use chicken thighs. Another option is you can make this in your air fryer. One of my husbands favorite ways to eat chicken.
