Another Successful Coat Drive

Thank you so much to everyone who donated
Coats, Hats, Blankets, Gloves and Warm Clothes.

You are very much appreciated.

Thank You For The Kind Words

I switched from the local dealership to Du Fresne's a couple years ago and I haven't looked back. It is easy to schedule an appointment but we have also had some surprise repairs occur and Du Fresne's was able to work us in and complete repairs within a couple days, not weeks like the dealership. The staff is effective, communicates readily and well, and is friendly. The feel is like the local repair garage, which it is.

One of my favorite sources for matters automotive that are my comprehension and/or skill level. We have what might be termed a rather long-term relationship in

as much as Nancy and I are "old" school-mates. Good service, they honor their quotes, and "shoot straight."

Jeff Scotto 11/06/2025

I've been taking my vehicles to DuFresne's for over 10 years. They are absolutely the best, most honest auto service shop in the Portland area. They provide top tier quality service for whatever your automotive needs are. My last two new purchased vehicles have never been back to the dealership. DuFresne's is always my first and go to automotive service shop. Give them a try, you won't be disappointed.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Secrets From Nancy & Tee's Kitchen

Easy Cheesy Clam Fondue

Ingredients: Fondue

1 Can Minced (drained) Clams

1 Cube Real Butter (Must be real butter)

8 OZ Cream Cheese

Dipping Ingredients

Sausage

Cubed Bread

Directions:

Put all ingredients in fondue pot or in a pan on the stove top. Stir occasionally. When all ingredients are melted together, turn the heat down to low.

Dip your favorite sausage and bread cubes in the cheese mixture.

Don't over heat so that the cheese doesn't break. If it does it can be fixed by creating a slurry consisting of $\frac{1}{4}$ cup cold water and three tablespoons of cornstarch. Once combined, whisk it into your sauce little by little until it finally comes together.

Great for Horderves or a romantic evening at home.
