Thank You For The Kind Words

Sammy Holland 01/20/2026

I was recommended DuFresne's Auto by local folks around SW pdx & beaverton. They continue to be reliable mechanics who listen to where I am in the process of caring for an excellent older car with significant mileage. They are willing to help you care for your vehicle with them in the way that you are able if you communicate well with them and tell them what you need. They also run excellent specials and keep good communication about their specials. Plus, the whole business has a great personality!

Yogesh Joglekar 01/23/2026

We have been using Du Fresne's for the last year or so, after moving to Portland

recently. They have been professional, exceptionally capable, and reliable. The first time around, it involved changing the AC system; the most recent was a standard oil change and inspection. We look forward to getting our two cars serviced here for a long time

Kathy Tamblyn 01/26/2026

Always great service! My husband has been bringing his vehicles here for many years. I had a German auto for a few years that they couldn't work on until recently. I am now able to bring my new (to me) car to them for the great service they have always provided.

Most Cars

Have you noticed it harder to see at night or when it's raining?

If you have cloudy or worn and yellow headlights you are taking a big and unnecessary risk when you drive at night. According to the AAA Foundation For

Traffic Safety: An average of 9 out of every 10 cars on the road today has dirty or yellowed headlights that greatly reduce vision and need to be replaced, repaired or restored.

Most people do not know that not only do worn or cloudy headlights look bad, but they also reduce light output by as much as 95 percent. That is a huge difference in whether you can effectively see or be seen when driving at night .

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

March 2nd, 1904

March is officially proclaimed as National Red Cross Month in the United States, a tradition dating back to 1943 to honor volunteers, blood donors, and supporters who help the organi-

President Franklin D. Roosevelt first designated March as Red Cross Month in 1943 during World War II to support services for the armed forces.

Every eight minutes, the American Red Cross brings help and hope to people in need.

Have you ever Wondered How the Prom Tradition Started? *P*romenade," began in the late 19th century as 20

Ivy League college banquets modeled after debutante balls, designed to teach etiquette and social grace to graduating students. It transitioned to high schools in the early 20th century, evolving from simple, chaperoned tea dances in the 1920s to lavish, popular, and often off-site celebrations by the 1950s.

secrets From Nancy & Tee's Kitchen

Greek Yogurt Fruit Salad

INGREDIENTS-Dressing

2 C. Greek Light Vanilla Yogurt
1/2 C. Honey
1/2 Squeezed Fresh Lemon
Grated Lemon Peel (to taste)

INGREDIENTS-Salad

5 Honey Crisp Apples-Diced
4 Bananas Sliced
2 C. Red and Green Grapes
2 C. Blue Berries
5 Tangerines
2 C. Sliced Strawberries
Sliced Almonds or Walnuts

Mix all ingredients for dressing together and set aside. I like to dice up all my apples first and soak them in a salt water bath for 5 minutes then rinse with cold water. When I slice up the bananas I brush them with lemon juice so that they don't turn brown. You can switch up the amounts and the fruits to what's in season and what is on hand. Nothing is set in stone. This is a large salad. Cut it in half if you are making it just for your family.

Exploring Portland by bike is ideal, with nearly 400 miles of bikeways, including dedicated lanes, car-free bridges like Tilikum Crossing, and scenic paths along the Willamette River, such as the Waterfront Park Trail and Eastbank Esplanade. Rentable BIKETOWN e-bikes make it easy to traverse neighborhoods, while dedicated greenways and trails like the Springwater Corridor provide scenic, low-traffic routes for all skill levels.

Top Portland Bike Rides and Areas

Waterfront Park & Eastbank Esplanade: A scenic, car-free loop on both sides of the Willamette River offering city skyline views.

Tilikum Crossing: Known as the "Bridge of the People," this car-free bridge links the east and west sides, perfect for connecting

routes. **Ladd's Addition:** Ride through one of the city's oldest neighborhoods, known for its rose gardens and rose-lined paths.

Mt. Tabor Park: A challenging ride up an extinct volcanic cinder cone that offers panoramic views of the city.

Neighborhood Greenways: Portland has extensive, low-traffic streets designed for bikes, especially in the **Southeast and Northeast areas.**

Springwater Corridor: A paved trail suitable for longer rides, stretching from downtown toward the suburbs.

DONATE YOUR CAR TO CHARITY

How does my vehicle donation help people with vocational training? Men and women in Portland Rescue Mission's long-term restoration programs—The Harbor for men and Shepherd's Door for women—work in jobs at Drive Away Hunger that develop new transferrable skills. Throughout the program we emphasize being responsible, being on time, being ready to work, and taking pride in what they are doing. Some of the vocational jobs our participants are trained in include forklift training, tow truck operation, car detailing, administration and title work, lot attending, vehicle sales, marketing, cashiering, and processing donations.

In fact, the **average car donation here provides around 600 meals** to homeless men, women and children.

Just one scenario how a donated car helped out a family in need.

Your car donations give more than just a meal. When a family has a legitimate need, many times we're able to help them because of your generous donations. A couple years ago, a young husband and father had massive heart failure and became terminally ill. During this already-painful time in their lives, the family's car broke down. We were able to step in and help them out with a car - thanks to you.
