## Portland Bridge Pedal –August 14th, 2022

Bridge Pedal is an annual bicycle event in Portland, Oregon, that offers cyclists the opportunity to bike across the city's bridges while they are closed to automobile traffic. In 2007 it was the third largest organized bicycle ride in the world behind New York's "Five Boro Bike Tour" and Montreal's "Tour de l'Île."

## Thank You For The Kind Words

### Lori Schalllich

We had an exceptional experience with Du Fresne Auto Repair. They quickly diagnosed the problem (missed by another shop) and completed the repair quickly. The staff were all friendly and professional. We will continue to use them for maintenance and repairs.

### Peter Hoeckel

Easy to work with, and I know that I can trust them to tell me what's needed, not push things that are not, and to charge fair prices. EVs don't need much service, but for the stuff I need, I'll keep using Dufresne.

### Christi Gonshorowski

Always a wonderful experience working with the crew at Du Fresne's. They

got my car done several hours before I needed it and always so easy to accommodate. Love that they vacuum too... the small things :))

### Kevin Cindi

We had just moved into the area and it's always hard trying to find a reputable auto repair shop. I looked for reviews on Google for this shop and they were good. So I made an appointment and took my car in. Well I was not disappointed. They were very professional and took care of all the issues with my car. Very impressed. They have my business. 😊

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

## August 2, 2022: National Night Out

It's becoming a summer event all across the country. In some cities and communities, National Night Out is celebrated in individual neighborhoods. In others, the event is citywide. From the schedule of entertainment, it may appear that National Night Out (NNO) is just for fun. Sponsored by the National Association of Town Watch, the events are intended to be fun, but they have a more serious purpose: To bring members of the community and local police together in a partnership that promotes safety in neighborhoods. The alcohol-free, family oriented events make August more fun. With no other significant holiday events occurring in this month, NNO is there to highlight August with an evening or afternoon of activities. Of course, you could go to the fair, but your NNO celebration is probably closer and doesn't cost anything. Will you see local law enforcement people there? You probably will. It will give you an opportunity to meet them in person and see how friendly they are. And NNO gives you a fine opportunity to introduce your kids to smiling police officers. They'll like the attention they get, and they'll learn that the police are friendly and protective.
