Thank You For The Kind Words

I will never bring my vehicles anywhere else but DuFresne's. As a single mom with 2 teenage sons, I have had more than my share of negative experiences at other shops. From day one, Preston treated me with kindness and respect. Any time I have an issue with one of my cars, he always goes above and beyond to make sure that we are cared for. As a nurse, Preston appreciates how much safety and clear communication are priorities for me. He is honest, trustworthy, and knows how to explain complex scenarios to someone who is not a mechanic. DuFresne's has my business and loyalty for life. Thank you, Preston! :)

Took my car in for an oil change and brake

inspection. Great service as always! My brakes need replacing soon, but there was no pressure to do it that day. I'll definitely be bringing my car back later when it's time!

Brought my Yukon Denali in for the first time after taking it to the dealer for the past several years. Du Fresnes provided exceptional service. The work was completed quickly and my car was returned in better shape than I left it. I highly recommend!

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.
