Thank You For The Kind Words

I have been going to Dufresne's for my auto service for 9 years. They are wonderful! We have taken Hondas, Fords and Toyotas there and they have serviced them all. They have also recommended when not to service. My air conditioning went out and they recommended not repairing. I did it anyway, but it would have saved me a lot of money if I hadn't. I really appreciated that they were willing to forego the services charges to do something they thought was better for me. They are also very friendly and a few times I've the pastries that are available. Highly recommend.

DuFresne's repair was great and competitively priced. They were able to get me in

quickly, advise repair and cost, then complete the repairs in a timely manner. I'm very satisfied with their work and service, and am happy to recommend them as a reliable shop to consider.

Had a need to get a general review and tune-up of my 2018 Audi, had always used the dealer but after taking it here, I'm done! They were the absolute best, gave me proper documentation and it was literally about 1/4 of what I expected - I even asked them if they forgot to charge me for anything. Fast service, amazing value, they were the best

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Hello June!

June 

National Go Barefoot Day

Put your feet in direct contact with the Earth by going barefoot, or donate any shoes you don't wear to those who have no choice but to go barefoot.

Royal Rosarians

Royal Rosarians are the "official greeters and ambassadors" of Portland, Oregon. The group was founded in 1912. Its members are most visible during the Portland Rose Festival or at events at the International Rose Test Garden, Washington Park, and the Peninsula Park Rose Garden. Additionally, members, along with the elected Queen of Rosaria, travel to various events and festivals throughout the world. The group also welcomes visiting dignitaries at the Portland International Airport and Union Station. The Rosarian's motto is "For You a Rose in Portland Grows" In 1911, ten Portland businessmen served as representatives of Portland at Seattle's Golden Potlatch Festival. On the train home, the men decided to create an official group to serve as ambassadors of Portland, and specifically its Rose Festival. Around 100 men initially joined and made their first appearance at the 1912 festival. The Rosarians are highly based on English royal tradition. In 1989, the Rosarians inducted their first three female members. The Rosarians are known for their all-white wool suits and straw hats, which they tip to welcome visitors. The Prime Minister and other high officials wear a cape in addition to the standard uniform.

Queen and Court Every year since 1908, a group of up to 15 high school girls from the metro area are chosen in March based on various scholastic and civic achievements. Beginning the first week of May, they travel full-time 5 days a week for 5 weeks, visiting community events, business leaders, hospitals, senior living centers, youth organizations and civic groups. All of the young women receive a \$3,500 scholarship (valid at any college or trade school) as well as a complete wardrobe provided by local real estate company the Randall Group. A panel of judges selects one of these girls to be the Queen of Rosaria based on "leadership and scholarship achievement, school activities, civic involvement, volunteer service, communication skills, and overall impression." The queen serves for one year, travelling with Rosarians to various events throughout the world. The names of each years Queens is engraved into an in-ground bronze plaque along the Queen's Walk in the International Rose Test Garden. A coronation for the queen is held during the Rose Festival at Oregon Square.

Ever Wonder How Mother's & Father's Day Came About

Mother's Day originated from a grassroots movement to honor mothers, culminating in a national holiday. Father's Day, inspired by Mother's Day, was later established to recognize fathers.

Anna Jarvis

Is credited with the modern start of Mother's Day. In 1908, she organized the first formal Mother's Day celebration in West Virginia. Jarvis wanted to honor her own mother and advocated for a day to celebrate all mothers. She gained support from a department store owner, John Wanamaker, who sponsored a service in his store. By 1911, most states recognized Mother's Day, and in 1914, President Woodrow Wilson made it a national holiday.

Sonora Smart Dodd

From Washington state is credited with starting Father's Day. Inspired by her own father, who raised her and her siblings alone, she wanted to create a day to honor fathers. The first Father's Day was celebrated on June 19, 1910, in Spokane, Washington. It took decades for Father's Day to become a national holiday. President Calvin Coolidge urged states to observe the holiday in 1924, and President Richard Nixon made it official in 1972.
