Thank You For The Kind Words

Ann Anderson

Always five stars for Tee, Preston and the crew at Dufresne Auto. They've taken care of my now 17-y/o Prius since I moved here 14 years ago. Great people, great service.

ELAINE

Thank you and your staff for providing competent, friendly and efficient service. Also, thank you for the free use of a loaner car. I believe that you provide an old fashion neighborhood type service which invites trust and loyalty from your customers. You have mine.

Merrilee Bruce

DuFresne's did a fantastic job on my headlight restoration – they look good as new! Always great service

and glad to support a local family-owned business.

Brett Butte

I picked DuFresne's because they are a small business in my neighborhood and its a convenient place to drop off my vehicle for service.

Their drop off hours were also convenient, allowing me to drop my car off before work. The technician who worked on my car gave me a call when my car was ready. Everyone was very pleasant, and the service was affordable. I have no complaints!

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Events and Attractions at the Zoo

The zoo offers special events for every season, from the spring egg hunts of Rabbit Romp to Howloween's trick-or-treating, but none shines as brightly as ZooLights, the annual holiday light display that runs from Thanksgiving weekend through New Year's Eve. This popular event transforms the zoo into a winter wonderland with more than a million LED lights adorning trees and animated sculptures.

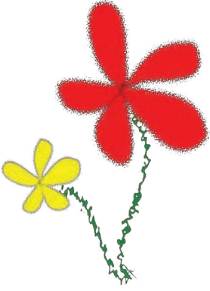

The Zoo Nights Summer Concert Series brings local acts to its outdoor stage from June through August. Visit the animals before staking a spot on the shady lawn and digging into locally sourced food, beer, and wine sold on-site. Every show opens with a chance to get to know some of the animals active during twilight hours.

The narrow-gauge Washington Park and Zoo Railway offers a nostalgic, kid-friendly way to explore the zoo. In addition to carrying passengers, steam-powered trains also transport U.S. mail, making this the last railroad to continuously offer mail service. Just drop your letters or postcards on the locomotives or mailboxes on the zoo grounds to get them hand-canceled with the Washington Park and Zoo Railway stamp.

Fun Fact

The month of May was named for Maia, the Greek goddess of fertility. In any given year, no month ever begins or ends on the same day of the week as May does. May was once considered a bad luck month to get married. There is a poem that says "Marry in May and you'll rue the day."
