Thank You For The Kind Words

Greg Dourian

I've been doing business with DuFresne's Auto Repair for a while now, and here's why: These are the most honest people- and people with integrity- in the business of auto repair, anywhere. I just took my Mercedes C300 in for a brake inspection and replacement, believing that it was time as the car has 52k miles on it. They could have easily sold me on that service, but instead, they told me that my brakes were in excellent shape and I wouldn't need replacements for several thousand miles. If this were the dealership, they'd have sold me brakes in a heartbeat. Thanks Nancy, Tee, Preston, Bridget, Marco, et al for always doing the right thing!

I've been taking my vehicles in to DuFresne's for years and they always do a wonderful job of looking over the entire vehicle to make sure that everything is working well

Thanks to a very accurate diagnosis and quality work, DuFresne's got my truck back on the road for even less than what they had quoted me over the phone. Had I listened only to the tow truck driver, I would have ended up replacing a very expensive alternator, which proved out to be working just fine. It was the batteries that had gone bad. Thanks, Preston!!

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

'Sleep with the Fishes' Returns: Popular sleepover at Oregon Coast Aquarium

The Oregon Coast Aquarium (OCAq) is re-launching its highly popular “Sleep in the Deep” program, once again giving guests the opportunity to “sleep with the fishes.” The sleepover program takes place in OCAq’s iconic Passages of the Deep exhibit, an underwater tunnel coursing through three unique ocean habitats where guests can snooze while surrounded by sharks, rays, wolf eels, and other sea creatures, and join in special after-hours tours and activities. The Sleep in the Deep program, which has remained the most asked-about program at the Aquarium, resumes in January 2024 after a three-year hiatus prompted by health precautions during the COVID-19 pandemic. For some, participating in a pelagic slumber party has been years in the planning — and waiting. “The program is fantastic,” OCAq Education Manager Jeff Harms said. “Our guests love it, and so do our staff. There’s something special about seeing someone’s face light up when they enter Passages of the Deep.” Starting in January, the one-of-a-kind sleepovers will take place Tuesdays and Thursdays, and the first and third Friday of the month. Sleepovers require a minimum of 20 participants and are limited to a maximum of 60 participants total. Anyone interested in spending the night surrounded by sharks and other sea life can find a full schedule, answers to frequently asked questions, and reservation forms online at aquarium.org/sleepovers. *The Oregon Coast Aquarium is located at 2820 S.E. Ferry Slip Road in Newport. For more information, visit aquarium.org, or call 541-867-3474.*
