I have used Du Fresne's auto service to keep my 2008 Subaru Impreza in tip-top shape so we can go on ALL the adventures. They are reasonably priced, clear with communication, responsive to urgent needs, and are able to prioritize "must fix now" vs "gunna be a problem in 20k miles, gotta budget this one out" which is deeply appreciated as an under-paid teacher. I really like working with them.

Aimee Genter-Gilmore

I have been to Dufresne's a handful of times over the past few years. They have always been honest and transparent.

While my most recent visit came with a gut-punch of a diagnosis (bad transmission), I appreciate the communication and transparency of the folks at Dufresne's. The cost of the assessment was provided before the assessment, and was a fair price. I trust the folks at Dufresne's and will continue to use them in the future.

Upfront and reasonable pricing. Able to get me in quickly for repair and car was ready earlier than expected. There was even a Loaner car offered, which I was not expecting and was a huge help. Will definitely come back for service!

Have you noticed it harder to see at night or when it's raining?

If you have cloudy or worn and yellow headlights you are taking a big and unnecessary risk when you drive at night. According to the AAA Foundation For

Traffic Safety: An average of 9 out of every 10 cars on the road today has dirty or yellowed headlights that greatly reduce vision and need to be replaced, repaired or restored.

Most people do not know that not only do worn or cloudy headlights look bad, but they also reduce light output by as much as 95 percent. That is a huge difference in whether you can effectively see or be seen when driving at night .

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

CRISPY BAKED SHRIMP SCAMPI

INGREDIENTS

2 LBS Shrimp peeled	1/3 C Panko Bread crumbs
2 T Lemon juice	4 Cloves Garlic, minced
2 T White Wine (optional)	2tbs grated Parmesan Cheese
1 Shallot, minced	1/2 tsp crushed red pepper flake
1/3 C Melted Butter, divided	1/4 Cup Fresh Parsley chopped
Salt and Pepper	Lemon wedge to garnish

1. Heat Oven to 425f. In a oven– proof baking dish, combine the shrimp, lemon, juice, white wine, shallots, 2tbs of melted butter, 1 tsp salt and 1/4 tsp pepper. Mix well until the shrimp are evenly coated.

Set aside

2. In a small bowl, combine the remaining melted butter, bread crumbs, garlic, parmesan cheese, red pepper flakes and 2tbs of chopped parsley. Mix Well.

3. Sprinkle the breadcrumb mixture over the shrimp and bake for 12 minutes, or until hot and bubbling and the shrimp are 'just' cooked through. Change oven setting to broil or grill for a further minute or so, until the top is crispy and golden.

4. Garnish with remaining parsley, squeeze over a drizzle of lemon juice and serve with lemon wedge.

2025 Portland Mardi Gras Parade and Celebration

Portland Mardi Gras Parade – March 4, 2025, N. Mississippi Avenue, Portland, OR (Last Mardi Gras Parade on the Planet) Each year the Mysti Krewe of Nimbus hosts a free, family-friendly Mardi Gras parade for everyone. The parade steps off at 7:00 pm starting near Humboldt St and proceeds down Mississippi Avenue to Cook St., just past Fremont. This community event invites all to dress up and come dance in the streets – joining the second line has become a rite of passage in Portland! Krewe members decorate signature mini-umbrella ‘throws’ to hand out to lucky participants. Many venues along the way will have food and drink specials on parade day and things really get lively on Mardi Gras night, after the parade. Stop by Sunlan Lighting for festive decorated windows, Kate’s Ice Cream for Carnival Inspired deserts, Interurban for sazeracs, and many more!

About the Mardi Gras Ball: In the darkest and dreariest time of the year, the Wonder Ballroom explodes with bright lights, live music, extravagant costumes, and more for a night of frivolity and celebration. Dance to live music from Too Loose Cajun Zydeco band, parade with Northwest Bone Gang and the Grassroots Movement, and rock out with Kris Deelane’s Music Review. Bayou Brothers Cajun Boils food truck offers authentic Louisiana style food for purchase. With three full bars, coat check, photo booth, king cake and plenty of lagniappe it is a night you won’t want to miss!

How does my vehicle donation help people with vocational training? Men and women in Portland Rescue Mission's long-term restoration programs—The Harbor for men and Shepherd's Door for women—work in jobs at Drive Away Hunger that develop new transferrable skills. Throughout the program we emphasize being responsible, being on time, being ready to work, and taking pride in what they are doing. Some of the vocational jobs our participants are trained in include forklift training, tow truck operation, car detailing, administration and title work, lot attending, vehicle sales, marketing, cashiering, and processing donations.

In fact, the **average car donation here provides around 600 meals** to homeless men, women and children.

Just one scenario how a donated car helped out a family in need.

Your car donations give more than just a meal. When a family has a legitimate need, many times we're able to help them because of your generous donations. A couple years ago, a young husband and father had massive heart failure and became terminally ill. During this already-painful time in their lives, the family's car broke down. We were able to step in and help them out with a car - thanks to you.
