Thank You For The Kind Words

A P

I'll definitely be coming here from now on instead of the dealership. Other highly rated shops in the area only offer drop off, so being able to make a waiting appointment here was great. I don't have to liberty of going without my car for the day, so thank you for doing the work quickly and helping me get on my way. I got an oil change; it was well priced and only took 45 minutes. The mechanic even vacuumed my car out, big thank you. I'll be back again, and again.

I've had 2 excellent experiences recently with having DuFresne's work on my car. It's nice having a neighborhood mechanic.

Tiffany Peery

Always fast service, work done on my Mercedes and Passat. Definitely easier than trying to get to the dealer! They work with warranty companies as well.

Jeff Sellke

Have been going to them for years. Always honest and straightforward. Repairs have always been good and they stand by their work. Highly recommended.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Portland Downtown Outdoor Ice Skating Rink Open Thru January 28th, 2024

Portland will open a downtown ice rink, an effort to bring a boost to the struggling district during the holiday shopping season.

The ice rink will open alongside a holiday marketplace, dubbed the “Woodsy Winter Village,” featuring pop-up shops and eateries at the parking lot located underneath the west end of Morrison Bridge between Harvey Milk and Morrison Streets along Naito Parkway.

The rink and holiday market will open on Dec. 16 and run until Jan. 28. The rink will be open for skaters from 10 a.m. to 10 p.m. everyday through the end of December, except on Christmas. January hours are still to be determined.
